Alicen - The cautious one.

Lucy - The curious one.

Emily - The loyal one.

Henzley - The planner and thinker.

Kinley - The funny one who lightens the mood.

Addy - The daring one.

Setting:

A spooky haunted house on Halloween night. The house has creaky floors, cobwebs in the corners, and a strange, eerie wind blowing through the windows. The girls are standing outside the haunted house, staring at its creepy door.

Scene 1: Outside the Haunted House

(The girls stand together, looking up at the haunted house.)

Finley: *(excited)* Alright, girls! We're here. The haunted house everyone's been talking about. Are we ready to go in?

Alicen: *(nervously)* I don't know, Finley. What if it's really haunted?

Lucy: *(curious)* I've always wanted to know what's inside! I bet it's just old and creaky. Nothing to be afraid of.

Emily: *(shaking)* I don't like this at all! What if we see a ghost?

Henzley: *(thinking)* We need a plan. If we all stick together, we'll be fine. Right?

Kinley: *(joking)* If we see a ghost, I'll just tell it some jokes! Ghosts love jokes, right?

Addy: *(daring)* Come on, let's just go in already! It's just a house. What's the worst that could happen?

Leeanne: *(quietly)* We should be careful, though. There's always a way out if we need it.

Scene 2: Inside the Haunted House

(The girls push open the creaky door and step inside. It's dark, and they hear strange sounds: a creak, a howl of wind, and a soft tapping noise.)

Finley: *(whispering)* Everyone stay close. It's just an old house. Probably the wind making all that noise.

Emily: *(clinging to Finley)* Are you sure it's just the wind? It sounds so... spooky.

Lucy: *(pointing)* Look! There's an old staircase. Let's see where it goes!

Alicen: *(hesitating)* Should we really go upstairs? What if something's waiting for us?

Addy: *(running ahead)* Come on, don't be scared! Let's check it out!

(The girls follow Addy up the stairs. The steps creak under their feet.)

Henzley: *(thinking)* If this place is really haunted, we should be careful. But it's probably just old and creaky like Lucy said.

Kinley: *(laughing)* If we see a ghost, I'll ask it if it wants to go to a Halloween party!

(Suddenly, a loud thud echoes through the house. All the girls stop in their tracks.)

Emily: *(screaming)* What was that?!

Leeanne: *(calmly)* It came from that room over there. Maybe we should check it out.

Scene 3: The Mystery Room

(The girls cautiously approach a door at the end of the hallway. Finley slowly pushes it open.)

Finley: *(bravely)* Let's see what's inside. Everyone stay behind me.

(The door creaks open to reveal... a little black kitten sitting on a table, knocking over a vase.)

Emily: *(relieved)* Oh, it's just a kitten! Not a ghost at all!

Alicen: *(laughing)* I was scared for nothing! Poor little thing, it must've been stuck in here.

Lucy: *(picking up the kitten)* I told you it wasn't haunted. Just an old house with a kitten causing trouble.

Henzley: *(smiling)* Well, our haunted house adventure turned out to be more cute than spooky!

Kinley: *(grinning)* I guess we don't need to tell the kitten any jokes after all!

Addy: *(excited)* This was so fun! Let's take the kitten with us and tell everyone what really happened.

Leeanne: *(nodding)* Good idea. We solved the mystery of the haunted house!

Scene 4: Outside the Haunted House

(The girls leave the haunted house, carrying the kitten.)

Finley: *(proud)* Well, we were all brave, and we worked together. No ghosts, but a new furry friend instead!

Emily: *(hugging the kitten)* I was so scared, but I'm glad I didn't run away. It was kind of fun after all.

Lucy: *(happy)* I knew there was nothing to be afraid of. Just a little kitten all along!

Henzley: *(smiling)* And now we have a new story to tell everyone. We faced our fears and found something good in the end.

Alicen: *(laughing)* And no ghosts! Just some creaky floors and a cute kitten.

Kinley: *(pretending to be a ghost)* Ooooh! I'm the ghost of the kitten! Watch out!

Addy: *(laughing)* Let's go tell everyone what really happened in the "haunted" house!

Leeanne: *(quietly)* I think we learned that sometimes, things aren't as scary as they seem if you face them together.

Finley: *(proudly)* We did it, girls! Teamwork, bravery, and a little laughter can make anything less scary!

(The girls laugh together as they walk away from the haunted house, the kitten purring in Lucy's arms.)
